HOW WE CAN HELP YOU

Mingary Care is a not-for-profit charity delivering free, short-term crisis palliative care and end-of-life services and supports for people on the Sunshine Coast.

We work on a referral basis and engage local community care providers to deliver in-home care on our behalf.

We provide compassionate support for the individual as well as their carer(s) and loved ones.

"Mingary Care threw me a lifeline when I truly thought I was drowning. I don't know what I would have done without them. Everything they did for me was so practical, they truly are living angels."
